HPS1 and CP/HPS2
Dust Monitoring Reporting RFP**

	Date	Company	Question	Response	Response Date
1	02/03/15	Pre-Bid Meeting	Are the bid sheets part of the bid?	1 Bidders must complete all forms and provide all information requested in the RFP.	2/13/2015
2	02/03/15	Pre-Bid Meeting	Is Item (B) Field Observation a full time job?	2 Amount of labor will vary. Consultants should be capable of operating multiple networks at both sites.	2/13/2015
3	02/04/15	AMEC	We're interested in submitting a proposal for the above subject project. In reference to your General Agreement, please forward the DDA, the VDDA, and the CBP (as referenced in Articles 23.3 through 23.5)	3 The HPS1 DDA, VDDA, CBP, and their amendments will be made available to all qualified bidders.	2/13/2015
4	02/09/15	VBA	Will bidding on the Dust Monitoring & Reporting contract create a conflict of interest for future building abatement work?	4 Future building abatement work will not pose a conflict of interest with the scope of work described in the RFP.	2/13/2015
5	02/12/15	TRC Solutions	In the ADM-DCP plan (section 8.2.1) it states that the PM-10 monitoring device shall be a Thermo Scientific MIE ADR-1500, Thermo Scientific PDR 1500, or equivalent. During the pre-bid meeting we believe the ADR-1500 unit was specified for this project, please confirm.	RFP specifies ADR-1500, or equivalent devices, for continuous measurement of airborne particulates. pDR-1500, or other similar personal dust monitors, are not intended for our application and will not be accepted.	2/13/2015
6	02/12/15	Terracon	How will the bid and fee schedule, firm information, firm qualifications and references be weighed during evaluation?	Proposals will be judged by best overall value under the following guidelines: Cost = 40%; Qualifications = 40%; Local Participation = 20%	2/13/2015
7	02/12/15	Terracon	What kind of security will the site have in place to minimize potential equipment loss?	Majority of monitors will be within secure project limits. Monitors outside of secure areas will be operated within chain link enclosures. Bidder's should provide cost to install and maintain chain link enclosures where indicated in schedule of values.	2/13/2015
8	02/12/15	Terracon	What would be the anticipated daily duration of a field observation for a typical sub-phase development block?	Daily dust observations will vary by level of activity and site conditions. Bidders may estimate 1 hour per sub-phase for bidding purposes.	2/13/2015
9	02/12/15	Terracon	Will page 2 of the RFP titled Consultants Information be counted as part of the 10 page proposal limit?	9 No. 10 page limit is applied only to the components of the written proposal described in Section IV, Subparts A through C of the RFP.	2/13/2015
10	02/12/15	Terracon	Is there a specified format for the Employment and Contracting Plan required as part of this proposal?	10 No. Consultant is expected to demonstrate familiarity and compliance with the Project Employment and Contracting requirements described in Section V of the RFP.	2/13/2015
11	02/12/15	Terracon	Will the Employment and Contracting Plan count as part of the 10 page proposal limit?	11 No. A brief description of the proposer's understanding and compliance with the Project Employment and Contracting requirements as described in Section V of the RFP will be in addition to the 10 page maximum.	2/13/2015
